Responsibilities

MAJOR DUTIES AND RESPONSIBILITIES:

- Gives and receives report from on-coming / off-going supervisor. Makes rounds of both nursing stations to communicate with charge nurses and ensure all resident needs and conditions are addressed.
- Develop and prepare work schedules for all staff on the tour of duty for which you are supervisor.
- Monitor staff schedules making necessary adjustments to provide adequate staffing in keeping with regulatory measures.
- Supervise and evaluate work performance of staff. Counsel and discipline employees as required.
- Investigate, assess and evaluate any complaints regarding resident care. Document and communicate to the Director of Nursing / Assistant Director of Nursing.
- Oversee and assist when necessary, with admissions, readmissions and discharges. Ensure completeness of all information.
- Complete supervisors daily report, include all pertinent information.
- Assist with physician rounds. Monitor and implement necessary changes in resident care plans.
- Monitor nursing units for compliance with infection control regulations, safety / accident prevention, resident care policies and provide guidance where necessary.
- Work closely with the Quality Assurance/Risk Manager and LPN's in the monitoring and maintenance of resident records.
- Assist the charge nurses and LPN's with resident care planning and implementation of rehabilitative /restorative nursing measures. Assist in providing for the spiritual, psychological, and social needs of residents.
- Communicate with families concerning residents.
- Ensure that resident rights to fair and equitable treatment, self determination, individuality, privacy, confidentiality, property and civil rights, including the right to wage a complaint, are well established and maintained at all times.
- Assist with on-the-job-training and orientation of new personnel.
- Participate in supervisor and staff meeting.
